

Christmas 2017 at Exmoor Country House

Check-in from midday on Christmas Eve...we'll show you to your room and we'll see you in the guest lounge around 7 for evening dinner. After dinner put on your thinking caps for a not too challenging quiz.

Christmas morning comes but once a year...so start it with a good hearty breakfast. After breakfast Exmoor National Park beckons for those who enjoy a Christmas walk...we'll take you to a local landmark leaving you to enjoy a 4 mile walk back to our place with a map and a positive mental attitude....no guarantees are given on the weather but the scenery will be superb. Don't worry if you're more the "take it easy" type...the walk is not mandatory...!

Christmas wouldn't be Christmas without Christmas lunch so take a seat and pull a cracker...we'll be serving you a 3 course lunch with all the trimmings at your table in our licensed guest lounge around 2ish. It's widely known the nodding-off fairy visits just after the Queens speech...sometimes even before...well...it is Christmas after all.....

Christmas day evening and we'll lay out a delicious help yourself buffet....indoor games out for those who feel moderately competitive towards their fellow guests..

Boxing day breakfast is served between 8 and 9.30...pick up your packed lunch and the days all yours to roam far and wide in the Park. Evening dinner served at 7...choose from our Boxing Day menu

Breakfast from 8 til 10 on 27 December...packing of the cases and goodbye waves at your leisure

Prices from £300 per person include 3 nights' accommodation with meals as described above excluding drinks. Full details and terms on request
