

Exmoor Country House

There are two ways to make a single occupancy booking....you can pay deep in the purse and book through an online travel agent (OTA) or you can book directly with us (the owners) using the reservations page on this website. As OTA's do not have access to our single occupancy rates their price for a one night stay will be a minimum of £110...by booking direct the price will be £85....both prices are for the same room and both prices include full breakfast...and if you book direct with us you will probably get yourself a better cancellation policy as well.

Whatever type of room you're looking to book you might find an altogether better deal by calling us on 01643 863599. If you're the shy type and prefer to book direct without calling us then go to our reservations page...if you make a reservation from there we'll be so chuffed you did there'll be a couple bottles of single serve wines in your room on your day of arrival...cheers!

Just in case you missed the boat and have already booked your stay through an OTA we won't cancel it and transfer it to a direct booking...that wouldn't be cricket...instead we'd like to think that you'd book the other way on your next visit to Porlock

No multi-million dollar OTAs based in low tax jurisdictions were harmed in the typing of these words
